Subject: Registration Now Open – Sept. 13 Industry Consultation on TSCA Fees

Subject: Registration Now Open – Sept. 13 Industry Consultation on TSCA Fees

Registration is now open for the meeting EPA will hold on September 13 to consult with manufacturers, processors, and representatives of such entities who are potentially subject to fees

under the Toxic Substances Control Act as amended by the Frank R. Lautenberg Chemical Safety for the 21st Century Act (TSCA). The meeting will be held from 9:30 AM to 2:30 PM (EDT) in the Horizon Ballroom of the Ronald Reagan Building and International Trade Center, 1300 Pennsylvania Avenue, NW, Washington D.C. Remote participation via webinar/teleconference is also available. **To register, go to: <http://tscafees.eventbrite.com>.**

U.S. EPA: TSCA Industry Fee Consultation Meeting

tscafees.eventbrite.com

EPA will use your registration information solely for this event. We will not share your information with any third party. If you require special accommodations, please contact Chris Blunck at 202-564-8078 or

The upcoming meeting follows an August 11, 2016 meeting where the EPA sought initial input from Industry on the Agency's development of a proposed regulation addressing the collection of fees under TSCA. The Agency's PowerPoint presentation from the August 11th meeting is available at: <https://www.epa.gov/assessing-and-managing-chemicals-under-tsca/public-meeting-presentation-industry-consultation>.

Recent amendments to TSCA place additional responsibilities on the EPA. To assist with the funding of these requirements, TSCA authorizes EPA to collect fees to defray the cost of administering certain provisions of the law. The Agency must first put a rule in place to require fees. EPA intends to publish a proposed fees rule in December 2016 and a final rule in June 2017. Input obtained from the consultation meetings will help inform the development of the fees rule.

For questions about the September 13, 2016 meeting, please contact Andrea Cherepy at cherepy.andrea@epa.gov. Please share, as appropriate, this consultation notice with other manufacturers, processors, and representatives of such entities who are potentially subject to fees under TSCA.

Sincerely,

Barbara Cunningham
